EDUCATION

Indian Institute of Information Technology (IIIT), Bhopal *December 2020–May 2024*
Bachelors of Technology – Information Technology (IT) **CGPA 9.03**
Relevant Coursework: **Data Structure & Algorithm, Object Oriented Programming**

SKPS, Indore *April 2019–July 2022*
Intermediate – Mathematics **Percentage 90%**

ACADEMIC PROJECTS

My Epistle | HTML, CSS, JS, Bootstrap DEMO | GITHUB
- Designed an app that **saves all writings** namely articles, story, and poetry which can perform 5+ operations such as editing and sorting
- Utilized **local storage** to store data and allow users to access their notes even after closing the app
- Deployed the game to a live website using a hosting service such as GitHub Pages

Tic Tac Toe | HTML, CSS, JavaScript, ReactJS, Bootstrap DEMO | GITHUB
- Developed a Tic Tac Toe game using ReactJS, an open-source JavaScript library for building user interfaces
- Implemented game logic to determine the **winner of the game** and **handle tie situations** using algorithms
- Improved the user experience by adding 5+ features such as **reset button** and customizable game board size
- Created documentation and a user manual to guide players through the game's features and controls

Google Clone | HTML, CSS, JavaScript DEMO | GITHUB
- A **minimal clone** of Google Keep written in Javascript and CSS, themed to look similar to Google Keep
- Developed frontend within an object-oriented Javascript framework which allows users to either create a note or delete any added note

More Project…

ACHIEVEMENTS

- **2 star** coder on codechef
- Ranked among the **top 10 teams** for presentation round in the **Web Development Hackathon** conducted by **Google Developer Students Club** IIIT Bhopal as a team of 4 people and built a website which featured all details of a restaurant
- Represented my school in **State Level Chess Championship** in Under-15 and Under-17 girls categories
- **Teaching volunteer** in NGO and personally mentored few students living in orphanage connected with NGO
- Cracked over **200+ DSA questions** on various coding platforms such as codechef, codeforces and GFG

ACTIVITIES AND LEADERSHIP

Event Coordinator – GDSC, IIIT Bhopal *August 2022–Present*
- **Hosted & supervised sessions and events** for **100+ students** such as Techpitcht
- **Coordinated & Executed** a Hackathon on new technologies namely Web 3.0, Blockchain, Machine Learning and Artificial Intelligence for **300+ students**

Volunteering & Hosting *September 2022 – Present*
- **Hosted and coordinated** an introductory event, **Aarambh** for **200+ freshers students** regarding the clubs and facilities along with the numerous upcoming events in college
- **Anchored & delegated** an event (named Techneev) for students for coding club Codame of IIIT Bhopal where successful **alumni** were invited for Tech sessions

ADDITIONAL INFORMATION

- **Technical Skills**: C, C++, HTML, CSS, JavaScript, Python
- **Technologies\Frameworks**: React JS,, Material UI, Bootstrap
- **Developer Tools**: Git, Github, VS Code, MS Office Suite
- **Soft Skills:** Leadership,Public Speaking, Team Management, Versatile, Creativity
